PROFESSIONAL EXPERIENCE

TUM Business Game (tum-businessgame.com/) **Munich, Germany (Remote)**
Website Marketing Manager (Voluntary) *May 2026 - Present*

- Led the redesign and migration of the competition website from Squarespace to a custom site (Astro, TypeScript, Tailwind CSS, Keystatic CMS), built with Claude Code and deployed on Vercel.
- Mapped the participant journey with the AARRR funnel, from first visit to registration, to find and fix where visitors dropped.
- Improved on-page SEO and set up UTM tracking across social media to measure which channels drove visitors and sign-ups.
- A/B tested post formats and call-to-action wording to increase engagement and registrations by 25%.
- Set up a CMS so non-technical board members can publish content themselves.

SuperAGI **Palo Alto, USA (Remote)**
Technical Program Manager *December 2024 - June 2025*
AI-native CRM and sales automation platform competing with Salesforce and Apollo.

- Wrote PRDs for the Chrome Plugin and CRM, including the flow that adds LinkedIn leads straight into the CRM so sales reps can contact them without manual data entry.
- Managed delivery across 6 AI products (CRM, AI SDR, Meeting Agents, Chrome Plugin, Billing, Mobile App) for B2B clients, maintaining the backlog in Jira and Notion.
- Ran product demos with clients to validate new requirements and capture bugs, then prioritised them using MoSCoW and RICE.
- Introduced Agile Scrum with 2-week sprints which led to raising task completion by 30%.
- Tracked releases across staging and production and reported weekly to 10+ stakeholders on progress, risks and dependencies.
- Coordinated developer pull requests from review to merge.

Greenox Tech **Mumbai, India**
Junior Project Manager *August 2024 - November 2024*

- Coordinated delivery of digital consulting projects, aligning design, engineering and sales on a shared project plan.
- Ran weekly syncs across 3 teams, tracking milestones, risks and dependencies, and improved go-to-market timelines by 25%.
- Gathered and documented client requirements and maintained project documentation and status reports.
- Managed procurement for the recycling platform, from sourcing parts and placing orders to tracking shipments.

Maestro Music Institute **Mumbai, India (Remote from Germany since 2025)**
Founding Member and Project Manager *October 2020 - September 2026*

- Part of a 3-person founding team covering operations, technology, sales and teaching as the institute grew to 3 branches.
- Led product development of the recorded-lessons app, running Agile sprints across app design, development and video production for lessons on every piece from grade 1 to 8.
- Built the Maestro Hub web app with Claude Code, giving teachers one place to schedule classes, manage attendance.
- Managed CRM, scheduling and student records across 3 branches, building Excel and Power BI dashboards to plan schedules.
